

How to Change Site Name

Author: Daniel

Reviewer: Eason

Account

Issue introduction

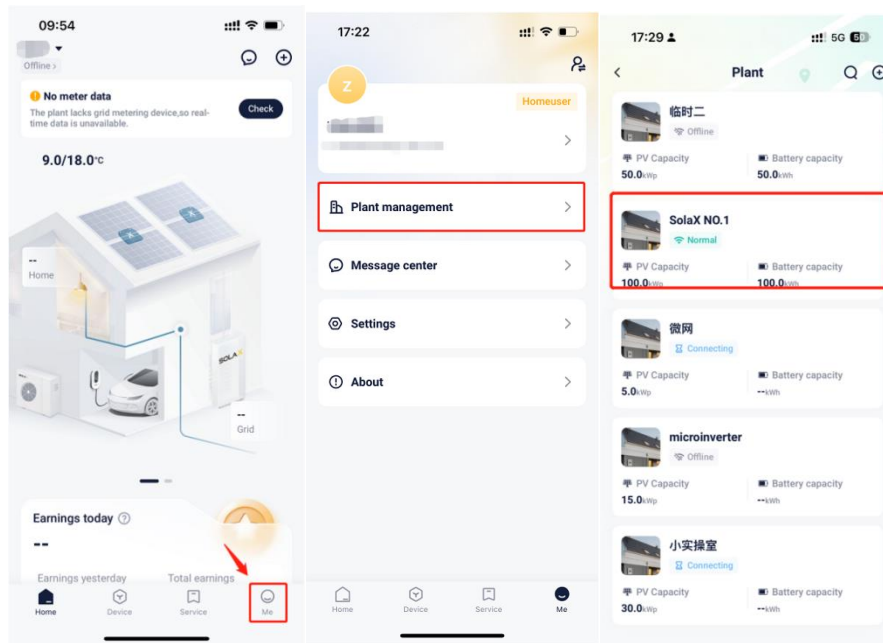

Change the name of site.

Operation guidance

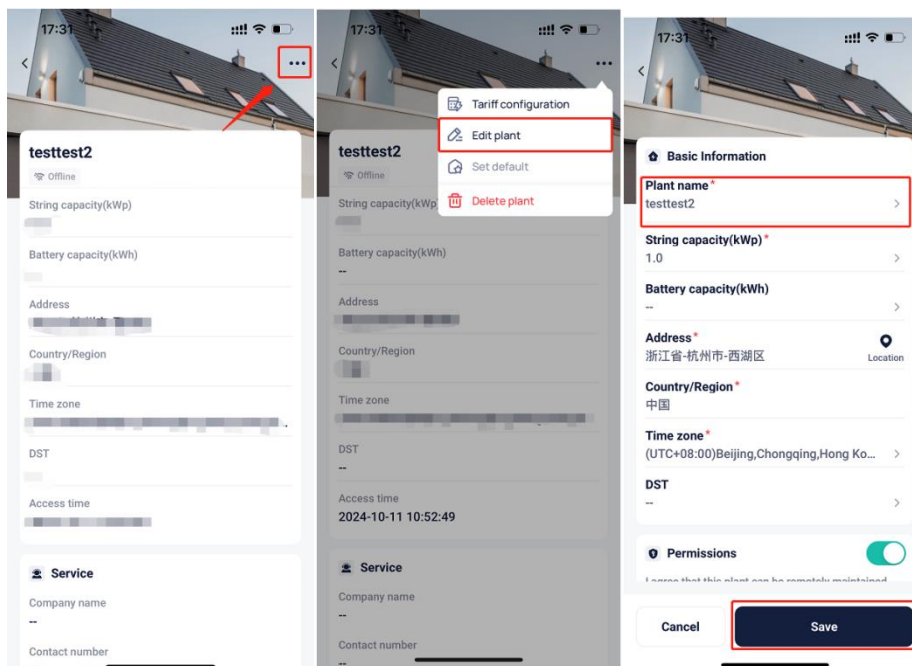

Step1: Go to <Plant management> and find the site you want to change the name of.

Setting path: *Me* → *Plant management* → *Plant*

Step2: Go to <Edit plant> and change the name, then save the settings.

Setting path: < . . . > → *Edit plant* → *Plant name* → *Save*

Please note

- Some special characters may prevent successful saving
- If the settings save fails, please check your mobile network, ensure a stable connection, log out of your account, and then log back in. Follow the steps above to make the changes.
